

Paul Johns

*South Lake Hospital, Chief Operating Officer
Treasurer, Representing Lake County*

Johns has been with the Orlando Health system for ten years and most recently was the Administrator of Ancillary and Support Services at Dr. P. Phillips Hospital, in Orlando, Fla. Johns will work closely with South Lake Hospital President John Moore and assist with operational strategies and oversee all ancillary services.

Paul has extensive experience in operations and leadership in the healthcare industry and has been instrumental in helping to lead South Lake Hospital as it continues to meet the needs of the community.

Johns' initial focus with the Orlando Health system in 2003 was as Director of Rehabilitation at Dr. P. Phillips Hospital (formerly Sand Lake Hospital) Brain Injury Recovery Center. His expertise in planning, leading and evaluating service lines led him to several other administrative positions within in the Orlando Health organization before joining South Lake Hospital as the COO.

Prior to his work with Orlando Health, Johns spent eight years with Leesburg Regional Medical Center, Leesburg, Fla., and held several positions including vice president.

The Lake County resident received his Masters in Business Administration from Webster University, Orlando, Florida and his Bachelor of Professional Studies from SUNY College at Brockport, Brockport, N.Y.
